FOR IMMEDIATE RELEASE

UPDATE ON INTERSTATE 15 REST AREAS

SAN BERNARDINO – The California Department of Transportation (Caltrans) is providing an update on the status of State Roadside Rest Areas (SRRAs) on Interstate 15 (I-15) both north and southbound: Clyde V. Kane Rest Area.

The **Clyde V. Kane Rest Area** is located north of Barstow. The southbound rest area has been closed due to sewage backing up in the cross-over pipe which leads to the northbound sewage lift station. After further investigation, it has been discovered that the cross-over pipe has cracked allowing for rocks and dirt to fill the pipe causing severe blockage.

The rest area was closed on Wednesday, September 12 due to a sewage back up. The northbound **Clyde V. Kane Rest Area** is expected to remain open until the repairs are completed. The Valley Wells Rest Area north of Baker is also open for service.

For rest area status please go to <http://www.dot.ca.gov/hq/maint/ra/>.
